

APPENDIX 43
CONTINUING MEMBERSHIP AND
VALIDATION OF MINISTRY POLICY
August 4, 2015

The presbytery shall determine the continuing members of the Presbytery of Huntingdon. [G-2.0502] A continuing member is a teaching elder received into ongoing membership in presbytery. The Committee on Ministry of the Presbytery of Huntingdon shall annually review the status of all clergy under its jurisdiction and make recommendations to presbytery regarding the validation of ministries. In fulfillment of G-2.0503, it shall evaluate the status of its clergy according to the following criteria:

A. General matters

- A-43.0000 Continuing Member Status: In addition to the “Criteria for Ministry of Continuing Members” found in G-2.0104 (Gifts and Qualifications of Persons) and G-2.0503a (Qualities of Ministries), the following shall apply:
- A-43.0100 1. **Attendance at presbytery meetings:** A continuing member shall take the initiative in establishing an active relation to the presbytery, evidenced by regular attendance. Regular attendance shall normally be understood to consist of attendance in at least three (3) of the meetings each year and request for an excuse for all absences. Honorably Retired members are encouraged to attend meetings but are not required to request an excuse for all absences from regular stated meetings. Exception to this rule may be made for those limited by health or geographic circumstances.
- A-43.0150 2. **Participation:** A continuing member shall participate responsibly in the life of a congregation of this presbytery and ecumenical relationships. [G-2.0503a(5)]
- A-43.0200 3. **Committee service:** A continuing member shall exhibit and implement willingness to serve in the elected entities of the presbytery. Exception to this rule may be made for those limited by health or geographic circumstances.
- A-43.0300 4. **Sacramental responsibilities:** All continuing members are permitted and encouraged to officiate at the sacraments when invited by a session or the presbytery.
- A-43.0350 5. Preaching the Word.** A continuing member shall make her or himself available to preach the Word when her or his duties permit. Teaching elders are to exercise diligence and discernment in the study of Scripture, be disciplined in daily prayer, cultivate sensitivity to events and issues affecting the lives of the community, and practice a consistent and personal obedience to Jesus Christ [W-2.2007] in order that Jesus Christ the Living Word may be made manifest by the inward witness of the Holy Spirit. The presentation of the proclamation of others as one’s own is both plagiarism and a denial of the indwelling of the Holy Spirit and is unacceptable in continuing members of this presbytery. Continuing members are expected to proclaim the Word given to them, rather than using sermons created by others, except under the most extraordinary circumstances. When using substantial portions of the language of others, credit must be given. This requirement extends to ruling elders and anyone occupying a pulpit of the Presbytery of Huntingdon. Plagiarism may be considered reason to terminate a contract, dissolve a call, or remove an individual from Approved Pulpit Supply.

- A-43.0400 **6. Call:** A continuing member shall be
- (a) under documented and approved call or contract to a particular congregation or council position;
 - (b) entering a work defined in G-2.0503a for which the presbytery shall give its permission by validating it as a ministry “in service beyond the jurisdiction of the church”;
 - (c) honorably retired;
 - (d) a member-at-large who has been previously admitted to the Presbytery of Huntingdon, but without intentional abandonment of ministry is no longer engaged in an occupation that complies with all criteria in G-2.0503a and this policy or a member-at-large who is
 - (e) actively seeking a call or contract to an installed or temporary pastoral relationship, or willing to serve in such a position if requested by the presbytery or its appropriate committee;
- A-43.1400 **Annual review:** A continuing member shall participate in an annual review with a subcommittee of the Committee on Ministry.
- A-43.1500 **Due process:** Any continuing member has the right to appear at the meeting at which his or her case is discussed, to submit evidence, to participate in the discussion, and to have the aid of Presbyterian counsel (as defined in the Rules of Discipline) in presenting her or his case. However, the Committee on Ministry retains the right of recommending to presbytery, which reserves and retains the right of determining, the continuing membership of its members.
- A-43.1600 **Attend & report:** If a continuing member shall be absent from the sessions of the Presbytery of Huntingdon for a period of one year and shall neglect to report to the presbytery concerning residence and work, the presbytery, after making an effort to locate and counsel with the minister, shall then, without prejudice to the minister, delete that person’s name from the roll of membership, and upon request of a session dismiss that person to a congregation.
- A-43.1700 **Civil matters:** A continuing member shall fulfill legal requirements of the Commonwealth of Pennsylvania including, but not limited to, compliance with standards for mandatory reporters of child abuse, including regular training and current background checks and clearances.
- B. Validated Ministries under the Jurisdiction of the Church:** The criteria for determining a validated ministry under the jurisdiction of the church shall be based upon whether the service complies with all the criteria enumerated in G-2.0503a and affirmatively meets all the following standards:
- A-43.2100 1. Is a ministry primarily one of the following: governing body work; mission work; a community ministry; chaplaincy or pastoral care; pastoral counseling, pastoral education or health care service; which ministry is related by organization, accountability and structure to the PCUSA, or one of its seminaries or other educational institution related to the PCUSA.

- A-43.2500 5. Is a ministry carried out in accountability for its character and conduct and answerable to the presbytery for agreed-upon end results or activities with a review of the ministry on a yearly basis.

- A-43.3200 2. **Process:** The process for validating specialized ministry shall be as follows:
- A-43.3210 (a) Each person requesting validation of his or her ministry must make written application to the Committee on Ministry.
- A-43.3220 (b) The Committee on Ministry will assess the application for validation based upon how it meets the criteria. If the application is approved, the Committee on Ministry will recommend to presbytery that the ministry be approved as a “Specialized Ministry.” Persons requesting validation of their ministry will be notified of the date on which the Committee on Ministry will consider their application.
- A-43.3230 ©) In addition each person serving in an approved validated ministry will be sent an Annual Review Form in November of each year. Such persons must submit a completed Annual Review Form to the Committee on Ministry by the date specified each year. Persons requesting re-validation of their ministry will be notified of the date on which the Committee on Ministry will consider their application. [G-2.0503a]
- A-43.3240 (d) Applicants for validation of ministry shall be required to submit documentation of appropriate liability insurance annually.

- A-43.3300 **Permission to labor outside the bounds:** A teaching elder member of this presbytery who wishes to engage in ongoing work which is outside the geographic bounds of the Presbytery of Huntingdon or which is not under its jurisdiction shall request permission of the Committee on Ministry to labor outside its bounds. No teaching elder shall engage in such work outside the geographic bounds of this presbytery or which is not under its jurisdiction without the permission of the Committee on Ministry. The Committee on Ministry shall not permit a teaching elder to engage in ongoing work which is within the geographic bounds of another presbytery or which is properly under the jurisdiction of another denomination without consent of that presbytery or denomination. The stated clerk shall inform teaching elders who seek permission to labor outside the bounds of this presbytery that they must first seek permission to labor within the bounds of the other presbytery or denomination. This permission shall be granted annually. The stated clerk shall report each instance of the granting of permission to the next stated meeting of the presbytery.
- A-43.3400 **Release from office:** If one or more of the criteria cannot be met, the continuing member should ask to be designated a member-at-large (G-2.0503b) of presbytery. Such request will be considered by the Committee on Ministry.
- A-43.3410 If the continuing member of the presbytery is unwilling to be designated a member-at-large then the member should seek release from the exercise of ordained office (G-2.0507) until he or she receives a call to ministry that fulfills all criteria.
- A-43.3420 If the continuing member is unwilling to be designated a member-at-large and does not seek release from the exercise of ordained office and is not honorable retired, or if the Committee on Ministry determines the continuing member should not be a member at large the Committee on Ministry shall determine that the continuing member has failed to engage in validated ministry and shall report these facts to the stated clerk, who shall report to presbytery as required by G-2.0508. The teaching elder so designated shall not have voice or vote in meetings of presbytery, except when the matter under consideration pertains to his or her relationship to the presbytery. If after three years, the teaching elder does not meet the criteria for validated ministry or membership-at-large, the presbytery may delete that person's name from the roll of membership.

D. Criteria for Members-at-Large: Definition: A member-at-large is a teaching elder who has previously been engaged in a validated ministry, and who now, without intentional abandonment of the exercise of ministry, is no longer engaged in a ministry that complies with all the criteria in G-2.0503a and those of this policy for validation of ministry. A teaching elder may be designated a member-at-large because he or she is limited in his or her ability to engage in a ministry fulfilling all of the criteria for a validated ministry due to family responsibilities or other individual circumstances recognized by the presbytery. A member-at-large shall comply with as many of the criteria in G-2.0503a as possible and shall actively participate in the life of a congregation, be supportive of the mission of the presbytery and report annually to presbytery.

- A.43.4050 A member-at-large is entitled to voice and vote at presbytery and hold office, and to officiate at the sacraments when invited by a session or the presbytery.
- A-43.4100 1. Members from other presbyteries shall not be received into membership of the Presbytery of Huntingdon in order to seek or while seeking a ministry call, contract, or

parish associate relationship within the bounds of the presbytery nor while awaiting qualification to become Honorably Retired.

- A-43.4200 2. Members from other presbyteries may be considered for membership in the Presbytery of Huntingdon if they are the spouse of a minister who has received an approved call or contract to a particular congregation or governing body position.
- A-43.4300 3. The Committee on Ministry shall review each previously approved member-at-large status annually. Each teaching elder granted member-at-large status shall be requested to submit an annual report to the Committee on Ministry by the date specified each year. Persons requesting continuation of their member-at-large status will be notified of the date on which the Committee on Ministry will consider their application. Failure to submit a report may be considered by the Committee on Ministry in its determination of status.
- A-43.4400 If the member is unwilling to fulfill the responsibilities of a member-at-large, or the Committee on Ministry is unwilling to continue the member's member-at-large status, then the continuing member should seek release from the exercise of ordained office (G-2.0507) until he or she receives a call to ministry that fulfills all criteria. See section A-43.53-5175.

If the continuing member is unwilling to fulfill the responsibilities of a member-at-large, or the Committee on Ministry is unwilling to continue the member's member-at-large status, and the member does not seek release from the exercise of ordained office, the Committee on Ministry shall report these facts to the stated clerk, who shall report to presbytery as required by G-2.0508. The teaching elder so designated shall not have voice or vote in meetings of presbytery, except when the matter under consideration pertains to his or her relationship to the presbytery. If after three years, the teaching elder does not meet the criteria for validated ministry or membership-at-large, the presbytery may delete that person's name from the roll of membership.

E. Current members changing status:

- A-43.5100 **Disability:** Teaching elders who are granted disabled status shall be transferred to the member-at-large roll of presbytery. Disability status in the PCUSA is predicated on full disability status, which precludes membership on presbytery committees, teams and entities.
- A-43.5150 **Without call or contract:** As soon as the stated clerk becomes aware that a teaching elder member is changing his or her employment situation within the presbytery without accepting a call or relationship within a congregation, or that a teaching elder member is seeking a change of status from one roll of the presbytery to another, the stated clerk will send the minister a letter with a copy of this policy with instruction to the member to request placement on one of the rolls of presbytery or release from ordered ministry through application to the Committee on Ministry.
- A-43.5175 **Request for release:** If a teaching elder against whom no inquiry has been initiated pursuant to D-10.0101 and D-10.0201, against whom no charges have been filed, and who otherwise is in good standing shall make application to be released from the exercise of the ordered ministry of teaching elder, the presbytery shall delete that person's name from the roll of membership, and upon request of a session dismiss that person to a congregation.

- A-43.5200 **Presbytery-initiated deletion from rolls:** If the presbytery determines that a teaching elder is no longer engaged in a validated ministry and no longer fulfills the criteria for membership at large and is not honorably retired, that individual shall not have voice or vote in meetings of the presbytery, except when the matter under consideration pertains to his or her relationship to the presbytery. If, after three years, the teaching elder does not meet the criteria for validated ministry or membership-at-large, or the presbytery is no longer willing to grant membership-at-large status, the presbytery may delete that person's name from the roll of membership, and upon request of a session dismiss that person to a congregation. The Committee on Ministry shall attempt to notify the individual of the date of the meeting at which the individual's status will be considered.
- A-43.5250 **Effect of release or deletion:** Release from the exercise of ordered ministry requires discontinuance of all functions of that ministry. The designations that refer to teaching elders shall not be used.
- A-43.5300 **Renunciation of jurisdiction:**
- a. When a teaching elder (or authorized representative) submits to the stated clerk of the presbytery of membership a written statement renouncing the jurisdiction of this church, the renunciation shall be effective upon receipt.
 - b. When a teaching elder of this presbytery persists in work disapproved by this presbytery, the presbytery through its Committee on Ministry shall consult with the teaching elder and shall give notice of its disapproval. If after opportunity for consultation and upon a second written notice of disapproval, the teaching elder persists in the work, the Presbytery of Huntingdon may then conclude that he or she has renounced the jurisdiction of this church.
 - c. When a teaching elder of this presbytery accepts or continues membership of any character in another denomination, except as provided for in the Form of Government, the presbytery shall record the fact and delete the teaching elder's name from the roll.
- A-43.5350 **Effect of renunciation of jurisdiction:**
- a. Renunciation of jurisdiction shall remove the teaching elder from membership and ordered ministry and terminate the exercise of that ministry. Renunciation of jurisdiction requires discontinuance of all functions of the ministry of teaching elder. The designations that refer to teaching elders shall not be used.
 - b. The stated clerk shall report the renunciation, delete his or her name from the appropriate roll and take such other administrative actions as may be required.
 - c. When a former teaching elder has renounced jurisdiction in the midst of a disciplinary proceeding as the accused, that former teaching elder shall not be permitted to perform any work, paid or volunteer, in any congregation under the jurisdiction of this presbytery [G-2.0509]
- A-43.5500 **Restoration after release:** Restoration to the exercise of ordained office is possible without re-ordination for teaching elders who were in good standing, against whom no inquiry had been initiated, and against whom no charges had been filed at the time of release, by
- a. application to and approval of the presbytery that granted the release,
 - b. reaffirmation of ordination vows, and
 - c. resumption of a ministry that qualifies for continuing membership in presbytery. No judgment of failure on the part of the teaching elder is implied in release, with or without restoration, from the exercise of ordained office.

Restoration under this provision is not available to teaching elders who renounced the jurisdiction of this church.

A-43.5600

Teaching elders temporarily excluded from ordered ministry

a. by action according to the Rules of Discipline: Teaching elders who have been temporarily excluded from ordered ministry shall refrain from the exercise of any function of ordered ministry, including participating and voting in meetings and from holding or exercising any office [D-12.0104d-e.] The presbytery may, if no appeal from the case is pending, declare any pastoral relationships in which the teaching elder is involved, dissolved. Any petition to be restored to ordered ministry shall follow the processes and procedures of the Rules of Discipline.

b. by failure to maintain up-to-date background checks and clearances and Commonwealth-mandated child abuse recognition and reporting training. When a teaching elder has failed to provide the presbytery with documentation of up-to-date background checks and clearances and training in child abuse recognition and reporting, the stated clerk will report the failure to Committee on Ministry, which will place a note to that effect in the teaching elder's permanent files. This failure to comply with Commonwealth requirements will be communicated in reference checks. In addition the Committee on Ministry may

- (1) place the teaching elder on temporary unpaid administrative leave
- (2) temporarily exclude the teaching elder from the exercise of ordered ministry. Teaching elders who have been temporarily excluded from ordered ministry shall refrain from the exercise of any function of ordered ministry, including participating and voting in meetings and from holding or exercising any office [D-12.0104d-e.]
- (3) recommend, if the failure is not remediated within three months that the presbytery, declare any pastoral relationships in which the teaching elder is involved, dissolved. Any petition to be restored to ordered ministry shall follow the processes and procedures of the Rules of Discipline.
