

CANDIDATE EXAMINATION WAIVER POLICY

In the event of repeated failure to pass a particular exam or exams: CPM will meet with the candidate to explore reasons for the continued failure to pass a particular exam or exams. CPM and the candidate will work out a specific plan to remedy the situation in a manner acceptable to CPM. CPM will monitor the candidate's progress in implementing the remedial plan.

When the remedial process has been completed to the satisfaction of CPM, CPM will recommend a waiver to the presbytery, including a summary of the remedial process and a rationale for the waiver recommendation.
